

**For your well-being
as well as for our staff,**
we use *OPTIM* 1 to clean
and disinfect our treatment areas
between patients.

OPTIM Disinfectants are proven effective
against viruses much tougher than
Novel Coronavirus (COVID-19),
such as Poliovirus and Norovirus.

OPTIM is a hospital and
broad-spectrum disinfectant
registered with EPA and meets
the **EPA's Emerging Viral
Pathogens Claim.**

OPTIM also meets the
**European CEN's Overview
Standard EN 14885 and
Virucidal Standard EN 14476.**
