Restoration of Endodontically Treated Teeth
Presented by Professor Vasilios Chronopoulos

This course focuses on the contemporary operative procedures best employed in predictably restoring Endodontically treated teeth.

Course Topics
- Evidence-based restorative strategies
- Rational, evidence-based case selection
- Restorative options available
- Materials and techniques
- Factors influencing treatment options
- Restoration longevity - expected outcomes
- Pre-fabricated vs cast post-and-cores. What to choose and why to choose it
- Posterior vs anterior teeth
- Restoring endodontically treated teeth with bonded core composites
- Bonding to the root
- Extension of restorations, cuspal coverage
- Preparation procedures and Ferrule Effect
- Aesthetic solutions for root filled teeth
- Restoring endodontically treated teeth to be used as long-term abutments for prosthetic restorations
- Outcome assessment and what is affecting treatment outcomes?

Learning Objectives
By the end of this course participants will be:
- Familiar with all the contemporary techniques available to restore endodontically treated teeth
- Able to select the appropriate restoration technique for each individual case
- Familiar with all the contemporary materials available to construct long-lasting restorations utilising endodontically treated teeth
- Able to understand clinical conditions to be considered in selecting treatment options for the endodontically treated tooth.

This full day course focuses on contemporary techniques, evidence-based knowledge and what materials are required to restore Endodontically treated teeth.

About the presenter
Professor Vasilios Chronopoulos is a received his Dental degree from the University of Athens, Greece and his certificate in Prosthodontics from Marquette University in Milwaukee, USA.

He has a MS and a PhD in Dental Biomaterials from the School of Dentistry, National and Kapodistrian University of Athens, Greece.

Over the last two decades Professor Chronopoulos has held several Full time and Honorary Academic positions, including:
- Professor of Restorative Dentistry, School of Dentistry and Oral Health, Griffith University, Australia.
- Clinical Professor, Department of Restorative Sciences and Graduate Prosthodontics, Baylor College of Dentistry, Dallas, Texas, USA.
- Assistant Professor, Department of Prosthodontics, School of Dentistry, National and Kapodistrian University of Athens, Greece.
- Honorary Professor, Faculty of Dentistry, University of Hong Kong, Hong Kong, China.
- Adjunct instructor, Department of Periodontics, Endodontics, and Dental Hygiene of University of Louisville, Louisville, Kentucky, USA.

He has authored and co-authored over 60 publications, chapters in Prosthodontic text books and a text book on Dental Materials, a textbook on All-Ceramic restorations and a Clinical manual on Restorative Dentistry.

He lectures nationally and internationally on Esthetic Dentistry, Implants, Prosthodontics and Dental Materials.

He is a member of numerous scientific societies. He maintains a practice focused on Restorative Dentistry and Implants in the Gold Coast (Dental Implants and Aesthetics Dental Center) and a Multi-disciplinary Dental Clinic in Athens.
Registration Form
Restoration of Endodontically Treated Teeth

Photocopy and complete this form for each registrant, telephone registrations are not accepted.

☐ Register me for Restoration of Endodontically Treated Teeth on Wednesday, 8 June 2016.
   ☐ ADA Member $800  ☐ Non Member $960

☐ I am a member of my ADA state branch or equivalent international organisation.
   Member Number ______________________________________________________________________________________

Please use block letters when filling in your details

Given Name: (Dr/Mr/Ms/Mrs) _______________________________________________________________________________
Family Name: __________________________________________________________________________________________
Mailing Address: _______________________________________________________________________________________
Work Phone: __________________________________________________________________________________________
Fax Number: __________________________________________________________________________________________
Mobile Number: _______________________________________________________________________________________
Email: ________________________________________________________________________________________________

Special Dietary Request: __________________________________________________________________________________

Payment Details

☐ Credit card:  ☐ Mastercard  ☐ Visa  ☐ American Express
   Card Number: _______________________________________________________________________________________
   CCV: _____________________________________________________________________________________________
   Expiry date: ____/____

Total amount $: _______________________________________________________________________________________
Cardholder Name: _____________________________________________________________________________________
Signature: ___________________________________________________________________________________________

☐ Cheque: Make cheque payable to ADA NSW Centre for Professional Development and post to
   PO Box 132, St Leonards, NSW 1590 with a copy of your registration form.
